

A group of approximately ten people, five men and five women, are performing a hula dance outdoors. The men are wearing light-colored shirts with a green and pink floral pattern and dark pants. The women are wearing long, flowing purple dresses with orange scarves. They are all smiling and appear to be in the middle of a performance. The background shows trees and a building with large windows.

One-Time Funding Review Pacific Unity Association

Purpose of Funds

- UPIIA – (Utah Pacific Islander Intercollegiate Association)
- UPIIA connects PI initiatives across college and universities
- Intercollegiate Luau – Each year a Luau is held with the surrounding universities/colleges. This year it was held at Utah Tech in St. George

Allocation of Funds

- This Year the Luau was at Utah Tech in St. George Utah.
- Total costs of the trip was 1900
- \$1500 was used for 2 van rentals with motor pool and 1 night of lodging
-

Goals

- Represent SLCC at the Intercollegiate Luau
- Make Connections with staff and students at the different schools
- Showcase the Hawaiian Culture through dance

Summary

- PUA planned, prepped, and practiced for 3 months to perform. We were 4th in the line up and performed our hearts out. We were smaller in number compared to the other schools. However, we were the biggest in our SLCC pride.
- We were also able to perform for the Multicultural High School Conference a week later. So we not only represented our school off campus but also showcased a glimpse of student life to the up and coming HS seniors

OUTCOME

- REPRESENT OUR COLLEGE AS BRUINS
- INCREASE OUR NETWORK
- DECREASE BARRIERS OF TRANSFERRING AFTER GRADUATING BY KNOWING STAFF AT OTHER COLLEGES/UNIVERSITY
- POTENTIALLY INCREASE OUR STUDENT ENROLLEMENT BY INFLUENCING NON-STUDENTS WITH HOW FUN HIGH EDUCATION CAN BE.
