

Evaluation of Maximum Time Frame

Financial aid is intended to assist as you successfully progress toward completion of a degree or certificate program. Financial aid can cover up to 150% of the hours required to complete a degree or certificate program. When evaluating maximum time frame, we must consider your full academic record at Salt Lake Community College, including transfer hours, *regardless* of whether you received financial aid during those terms.

Evaluation is required when you have attempted:

- 78 hours if seeking an Associate of Pre-Engineering (APE)
- 74 hours if seeking an Associate of Applied Science (AAS) or Diploma (DI)
- 72 hours if seeking an Associate of Science (AS) or Associate of Arts (AA)
- 35 hours if seeking a Certificate of Completion (CC)

You may request an evaluation of your maximum time frame by following these steps:

Step 1 Find your program of study and degree:

- Log in to **MySLCC**
- Find the **Register for Classes** card then click on **Banner Registration**
- Click the **Register Here** button then click the **Registration Status** link
- Select the most recent term from the drop down menu then click **Continue**
- The **Primary Curriculum** column lists your official program and degree

Step 2 Complete any needed placement testing. Your Academic Advisor will not be able to provide a valid Maximum Time Frame Degree Audit if placement testing is needed.

Steps 1 and 2 **must** be completed before continuing to step 3.

Step 3 **Meet with an Academic Advisor to determine what courses are required to complete your degree.** Let the Academic Advisor know that you need the audit for a review of maximum time frame. The Academic Advisor will create a Maximum Time Frame Degree Audit and submit it to the Financial Aid Office.

Evaluation of the audit by the Office of Financial Aid & Scholarships takes up to two weeks after the Degree Audit is received from Academic Advising. The decision will be sent to your BruinMail.
