An aerial photograph of the Salt Lake Community College (SLCC) campus at dusk. The image shows several large, multi-story brick buildings with flat roofs, interspersed with green trees. In the foreground, a multi-lane highway with a median and a billboard is visible. The sky is dark, and some lights from the buildings and streetlights are visible. The text "THIS IS SLCC" is overlaid in large, white, bold, sans-serif capital letters across the center of the image.

“It’s really important to consider how many classes you have time for. I am a single mom. With the help of my family, I decided to go to school part-time because it allows me to successfully balance motherhood, school, and work.”
Fartun - Pre-Health Sciences

“I’ve always wanted to find a sense of community in my education. SLCC made getting involved easy and exciting with a variety of student clubs, Mega Fairs, movie nights, and renowned guest speakers that really enhanced social life on campus”
Marcus - Journalism & Digital Media

*"Canvas is probably one of the most useful tools I've used in college. The "To-do" list keeps me up to date with my assignments, so I don't fall behind in my classes. Canvas is also a great way to get in contact with your professors and classmates in case you have to miss class or have any questions."
Linda - Fashion Design*

*"I'm happy to have participated in SLCC's PACE Program because it helped me succeed in high school and make a smooth transition into college!"

BRUIN SCHOLARS

YOUR GUIDE TO SUCCESS

The Bruin Scholars program is specially designed to support first-generation, undocumented, transitioning-out-of-foster care, nontraditional students and students who just need help figuring out college, thrive at SLCC. Our staff and peer mentors can help you have a smooth transition to SLCC and can be your support system when things get tough. As a Bruin Scholar you will receive exclusive invitations to program events, registration assistance every semester, access to campus and community resources and a chance to connect with other SLCC students and potential mentors.

WHAT'S IN IT FOR ME?

- Personalized attention from a dedicated staff member
- Exclusive invitation to program events
- Personalized registration assistance
- Connect to campus and community resources
- Connect with peers

YOU WILL BE EXPECTED TO...

- Take the appropriate English and/or math class every term until you finish the requirements for your program of study.
- Attend at least 2 campus events outside of the classroom.
- Meet with your assigned Bruin Scholars staff member at the beginning of the semester to set academic goals and for a midterm check-in meeting.

We Help Pay For College.

It's that simple.

At Salt Lake Community College, we believe higher education should be available to anyone who desires it. SLCC Promise helps eligible students pay for their education by covering the cost of tuition and fees when federal grants fall short. SLCC Promise is intended to remove economic barriers and to provide a pathway for SLCC students to complete their degrees.

TRUE or FALSE?

Students with motorcycles need to purchase a parking permit.

Answer: TRUE!

Motorcycles need a parking permit.

License plates are checked to verify a permit has been purchased.

"DegreeWorks has been a huge help. It helps me see what classes are needed for my specific degree and it helps me plan ahead, so I don't have to scumble when it's time to register. It has been great having this resource and has made my experience here at SLCC even better!"
Jordy - Marketing Management

"The staff at the ePortfolio Lab are fantastic at helping you best showcase your skills and projects you have completed in classes. Whenever I need help, I always use this resource to make sure my ePortfolio is the best it can be."

"Creating a study plan has helped me succeed in college. For example, I try to submit my assignments a day before they are due. This helps me schedule when I'll do homework and it helps make sure I give myself enough time so I don't have to stress. Reading the syllabus and communicating with my professors help me get a better understanding of the course."

Jennifer - Social Work

"The STEM Learning Center has increased my confidence in math. They offer one-on-one help and specific course workshops that helped me study and pass my math final!"
