RETRIEVE YOUR USERNAME

Please provide your recovery email address

- Enter the personal email address you used to apply at SLCC. Your username will be sent to this email address. This is not your SLCC email address.
- If you have not attended SLCC for three years, your account may have been deactivated. You will need to [reapply for admissions to the college](#) to reactivate your account.

If you don't know your recovery email address, please contact the Help Desk

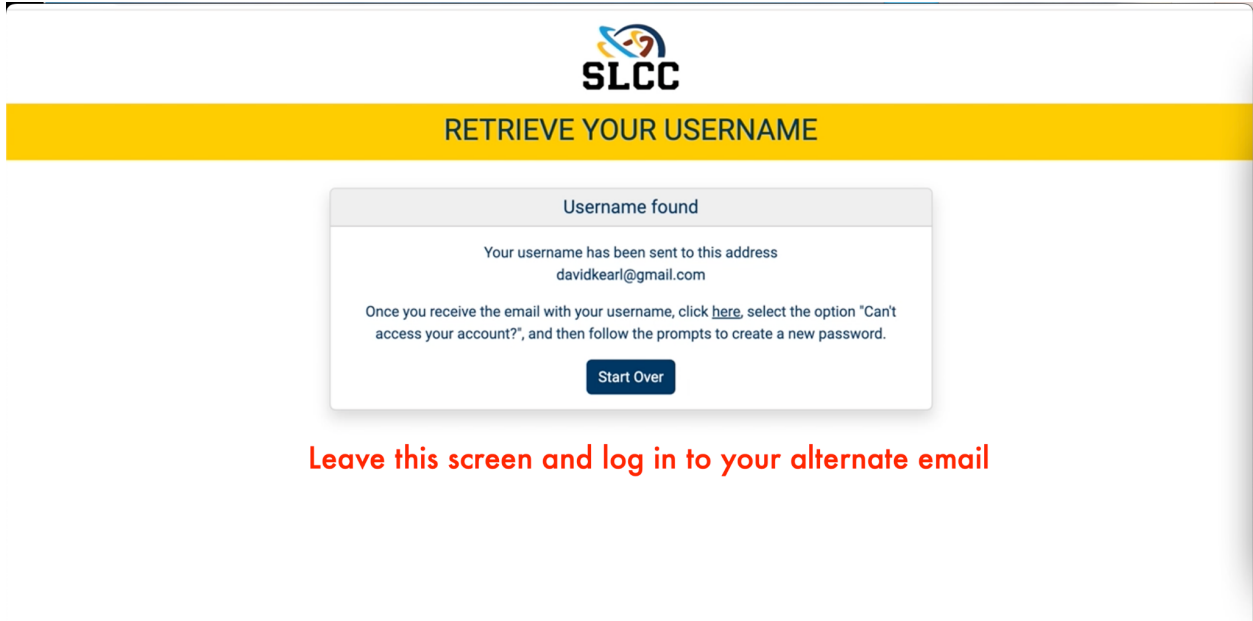

Support Website | 801-957-5555

davidkearl@gmail.com | Submit

Click on the field labeled "Submit" to continue

Enter your alternate email address

The image shows a web page for SLCC with the title "RETRIEVE YOUR USERNAME". At the top center is the SLCC logo. Below the title is a yellow banner. In the center, there is a white box with a grey border titled "Username found". Inside this box, the text reads: "Your username has been sent to this address davidkearl@gmail.com". Below this, it says: "Once you receive the email with your username, click [here](#), select the option 'Can't access your account?', and then follow the prompts to create a new password." At the bottom of the box is a blue button labeled "Start Over".

Leave this screen and log in to your alternate email

5

The image is a screenshot of a Gmail inbox. The email is from "help.desk@slcc.edu" to "me, david.kearl". The subject is "SLCC". The body of the email contains the following text: "As requested, this is your SLCC username: [redacted]@slcc.edu". A red box highlights the text "SLCC will send your username to your alternate email" with a red arrow pointing to the redacted username. Below this, the email text continues: "If you did not initiate this account request, please contact the SLCC Technical Help Desk at the numbers below. To create a new password for your account, click [here](#) and select the option 'forgot my password'. If you need assistance resetting your password, please see this article on the [SLCC Password Reset Process](#). Be aware that your new password MUST meet [SLCC's password complexity requirements](#). If clicking the link above does not work, please copy and paste the URL in a new browser window instead. Otherwise, you can get assistance from SLCC Technical Support via one of the following methods: Website: <https://support.slcc.edu>, Email: Help_Desk@slcc.edu, Phone: 801-957-5555".
