FACULTY

Faculty members represent the following areas: accounting, business communication, business management, computer information systems, economics, finance and credit, and marketing.

THE PROGRAM

Business Associate of Arts and Business Associate of Science degrees are designed as transfer degrees to business schools at four-year institutions within the Utah System of Higher Education. The Associate of Arts degree requires the study of a foreign language. Initial transfer information can be obtained through the Academic Advisor, Taylorsville Redwood Campus, Business Building, room 132A.

Requirements at four-year colleges and universities are subject to change; ongoing planning is essential. Students interested in degrees designed for business employment should review the Certificate and Associate of Applied Science degrees.

General Education and majors courses provide training in oral and written communication and human relations skills. BUS 1050 - Foundations of Business, is taught through group and team activities to develop the students' interactive skills and to build human values and ethics.

All associate degree business programs at SLCC are accredited by the Association of Collegiate Business Schools and Programs (ACBSP). Accreditation represents the achievement of meeting high national standards established for associate degree granting business programs and facilitates transfer of credits to four year universities and colleges.

PREPARATION NOTE

Students who need to take preparatory classes to meet the requirements of first semester courses should plan on extra time to complete the program. Any class in the preparatory skills may be waived if students can demonstrate equivalent skills.

PREREQUISITES

It is the student's responsibility to examine each course description for details of prerequisite classes. Those prerequisites must be satisfied before the designated class may be taken.

COMPUTER PROFICIENCY

CIS 1020 and CIS 2010 are the 2 required computer proficiency courses for business schools at Utah four-year colleges and universities. They require a grade of B or better. Students have the option to pass the Challenge Exam for CIS 1020. It is required to pass each section of the test with the correct answer score of 84% or higher. Once the exam is passed, a P is posted to the transcript and the credit is awarded. This P is acceptable at all Utah four-year colleges and universities. CIS 1020 is a pre-requisite for CIS 2010. Students who wish to challenge the exam for CIS1020 are advised to review the information at <http://poseidon.slcc.edu/~CIS1020/Challenge.html>.

ELECTIVE OPTIONS

These are based on requirements of intended institution of transfer. Contact the business academic advisor.

CLASS AVAILABILITY

The semesters in which courses are taught are listed below. Students should check the semester class schedule for day/evening availability and modifications caused by varying enrollment.

TRANSFER INFORMATION

(SUBJECT TO CHANGE BY FOUR-YEAR COLLEGES AND UNIVERSITIES.)

Course articulation agreements exist with Brigham Young University, Southern Utah University, University of Utah, Utah State University, Utah Valley University, Weber State University and Westminster College. Agreements are available in Business Building, room 132, or Student Center room 240 in the Transfer Center files or with academic advisors at other campuses. Transfer planning is essential, please see academic advisor. Advisors are available in Business Building, room BB 132-A, or Student Center room 240, or advising at other campuses. Students who will major in accounting should consider completing the accounting courses just prior to transfer so they are ready for the junior level accounting requirements.

BRIGHAM YOUNG UNIVERSITY

PRE-ACCOUNTING MAJORS

Accounting at BYU is a limited enrollment, competitive admission major, accepting students for fall only. Acct 2010 and ACCT 2020 must have a minimum grade of 'B' or better. These two courses are grade discounted .3 (A to A-). BYU's MCOM 320 and I SYS 201 must be completed prior to the accounting school application deadline. Transfer students can increase their acceptance possibilities by taking BYU's ACC 210. These courses may be completed at the BYU-SL Center. Repeating courses for purposes of admissions is strongly discouraged and will be discounted one full grade (A- to B-). The minimum GPA to apply is 3.0, but the typical GPA for admissions to accounting is a 3.8-3.9. Rolling admissions begins Nov. 1 of the preceding year. (Rolling admissions means that the accounting committee sets a very high acceptance standard and any students who meets that acceptance standard is accepted prior to the final application deadline. All other applying students are placed in the standard ranking list and acceptance is determined under usual acceptance).

PRE-INFORMATION SYSTEMS MAJORS

Information Systems at BYU is a limited enrollment, competitive admission major, accepting students for fall only. CIS 1020 must be completed with a grade of 'B' or better. ACCT 2010 is grade discounted .3 (A to A-). Repeated courses are discounted one full grade (A- to B-). BYU's ISYS 201, 202 and M Com 320 must be completed prior to the information systems application deadline. These courses can be taken at the BYU-SL Center. The minimum GPA is 3.0. There is not an established GPA standard yet for this major. Rolling admissions begins Nov 1 of the preceding year. (See the Pre-Accounting Major section for a definition of rolling admissions).

PRE-MANAGEMENT MAJORS

Management at BYU is a limited enrollment, competitive admission major, accepting students fall semester, winter semester, and spring semester. (Spring semester at SLCC is called winter semester at BYU. CIS 1020 must be completed with a grade of 'B' or better. ACCT 2010, ACCT 2020, BUS 1100, MGT 2040, ECON 2010 and ECON 2020 are grade discounted .3 (A to A-). Overall GPA and last 30 hrs GPA are not discounted. These courses must be completed prior to the business school application deadlines. The minimum GPA to apply is 3.0 but the typical GPA of recently admitted students is a 3.8 in the Pre-Management core.
