Reading	CPT or ACT?	<i>If below 81 CPT or 20 ACT, please indicate when you took WRTG 0990</i>		

Things you should know when entering the interpreting program:

- The main objective of the ITP is to teach the skills necessary to pass the Utah certification exam, Novice Level. Certification is a requirement for working in the state of Utah.
- As an ITP student, you will be required to sign up for a lab, held in AD 153 once week for two hours.
- Interpreting courses are not offered during the summer. You are strongly encouraged to take an elective course during the summer to maintain your signing skills.
- All interpreting students are required to maintain a grade of B or better in each of their ITP classes. A student receiving a grade of B- or lower will not be allowed to continue in the program until the class can be retaken.

By signing below, I am indicating that I understand and commit to following the guidelines given for Salt Lake Community College's American Sign Language Interpreter Training Program.
