The National AHEC Organization and Crossroads Utah AHEC are pleased to provide you with this free continuing education opportunity to learn more about HPV vaccination safety. This presentation includes information about vaccine safety systems in the United States; HPV vaccine safety data; and safety monitoring and evaluation for the 9-valent HPV vaccine.

Jointly provided by Postgraduate Institute for Medicine and the National AHEC Organization
Funding for this self-study guide was made possible by the Center for Disease Control and Prevention Grant No. NH23IP000960 to the National AHEC Organization.
