The following items are required to complete the CTE Scholarship Application:

- Completed Scholarship Application
- Two Current letters of recommendation from individuals with direct knowledge of your abilities and potential
- Briefly discuss your educational and career goals, the qualities that you possess that will help you succeed in college and your need for funding to assist with educational expenses.

There are a variety of scholarships available to CTE students and this is an application for those that have funding available and based on the individual program that the student indicates he/she is enrolled in. For ALL scholarships you must be admitted as a matriculated student and scholarships are open to Utah Residents only. Scholarships are awarded based on need for financial aid and academic achievement.

Most scholarships will cover Fall and Spring Semesters only, not Summer Semester, and funds would be available to cover toward Tuition and fee charges for the Semester/Academic Year. Students need to enroll on at least a half-time basis to receive scholarship funding.

A first review will be done for applications received by June 1, 2007. Applications can be submitted to the SLCC Financial Aid Office at Redwood Campus, South Campus or Jordan Campus, or mailed to the Financial Aid Office at the address above. This application is available at the above campus locations or online at: www.slcc.edu/financialaid/scholarships
