Scholarship Description

This scholarship was established in memory of Diane K. Zimney, a local philanthropist, activist and well-loved community member. The dignified and compassionate assisted living and hospice care that Mrs. Zimney received from Nurses and Certified Nursing Assistants inspired her family to honor her memory through the **Diane K. Zimney Nursing Scholarship for End-of-Life Care**.

The scholarship will support the cost of tuition, books and fees for two students, one in Nursing and one in the CNA program at Salt Lake Community College. In the case of a student pursuing a Nursing degree, the applicant must be an incoming freshman who currently works as a CNA. Preference will be given to CNAs working in an assisted living and/or hospice setting with patients suffering from dementia. Further preference will be given to those applicants who expressly intend to practice as dementia care nurses upon graduation. In the case of a student pursuing a CNA certification, preference will be given to those applicants who intend to work in a hospice and/or assisted living setting with patients suffering from dementia.
