

SLCC Hourly Rate Schedule

2009-2010

Effective July 1, 2009

***All hourly positions are limited to 29 hours per week or less.** All applicants and new hires must complete an official SLCC application located at jobs.slcc.edu. Select a title and corresponding rate from the schedule below and complete a Personnel Action Form and submit it with all required paperwork to Human Resources in a timely manner. New employees should generally start at entry levels of the assigned range. Students should be given preference. Women and minority hiring is encouraged. Hourly positions are generally temporary and therefore carry less responsibility than a salaried position with a similar title. Hourly positions require time reports that must be submitted to the Payroll Office.

If a department chooses to convert an hourly position to a full-time, regular position, the department must provide funding for full benefits, with the President's approval and complete the full hiring process.

All exceptions to the Hourly Rate Schedule, either title or rate must be approved by the Director of Human Resources. For consideration, submit your request and justification in writing to the Director of Human Resources. If your request is for a new addition to the schedule, include; proposed title, rate of pay requesting and a short 2-3 sentence description of duties and written justification on why the position is needed.

A "Contractual Services Agreement" is used when you want to pay a person who is not an employee of the college for a one-time project. This is processed through Purchasing and a check will be generated.

Grade	Title	Hourly Range
1	No longer available	
2	Aide II	\$7.25 - \$7.93
2	Cashier I	\$7.25 - \$7.93
