FOR MORE INFORMATION CONTACT:
SPENCER BARTHOLOMEW
spencer.bartholomew@slcc.edu

For rules and eligibility, see:

<https://amatyc.site-ym.com/page/SMLRules>

Come participate in challenging yourself, add extra-curricular activity to your resume and meet other students who also have a passion for math.

The competitions are based on pre-calculus level mathematics and there are individual and team prizes. The first place individual in the nation wins a scholarship to be used at a four-year college!

SLCC Student Math League is sponsored by the American Mathematical Association of Two Year Colleges.

If you need special ADA accommodations to attend this event, please contact Disability Resource Center at 801-957-4659.
