- E. Holidays. Employees will not be compensated for holidays falling within the leave period.

- F. Request for Leave. Employees must submit, in writing, a Leave Without Pay Agreement form to their immediate supervisor. The supervisor submits the form to the Human Resources Office. The form is then submitted to the appropriate cabinet member for approval. For a Leave without Pay (LWOP) that will last less than a pay period, time should be submitted through web or department time entry.

- G. Public Service Leave Extensions. At the end of the approved leave period, requests for leave extensions are submitted in writing to the immediate supervisor. The supervisor sends the request to Human Resources for review before being sent to the appropriate cabinet member and President for approval.

- H. Long Term Military Leave. Employees should notify supervisors and should submit orders to the Human Resources Office.

- I. Benefits. Employees on approved leave of absence without pay may make special arrangements with the Human Resources Office to continue their insurance with COBRA and retirement benefits if they desire. It is the employee's responsibility to make arrangements prior to the leave and to pay for the total premiums, including the College's portion, if continued coverage is desired. Upon returning to work, sick leave, vacation leave, and retirement credits begin to accumulate again.
