

## Network Administrator (Microsoft Certified Systems Administrator - MCSA)

### Program Facts

Location:	South City, N285
Program Hours:	700
Average Length:	Day/Evening classes, 8-10 months
Application Fee:	\$35.00
Tuition:	\$1,575.00 <sup>1</sup>
Lab Fee:	\$50.00 <sup>1</sup>
Books/Supplies:	\$1,200.00 <sup>2</sup>

1. Costs of programs depend on resident status and are subject to change. Extended program hours are available at an additional cost.  
2. Subject to change.

### General Information

This program uses the most current Microsoft approved course materials to prepare students to take industry tests to earn the CompTIA Network+, Microsoft Certified Professional (MCP), and Microsoft Certified Systems Administrator (MCSA) certificates. The MCSA/MCSE certified instructors guide students through hands-on and individualized instruction. Students learn to effectively install, maintain, troubleshoot, and otherwise carry out system administrator functions on networks running the latest Windows client and server operating systems. Industry conferences and workshops are included as supplemental classroom activities geared toward informing students of trends and changes within the industry. Students who are motivated, willing to set and accomplish goals, and prepared to study two to three hours a day outside of the classroom are the most successful in this rigorous program.

### Prerequisites

Success in the program depends upon each individual. To help ensure success, students are asked to demonstrate their basic skills required for the program. These skills may be measured by taking the Comprehensive Adult Student Assessment System Test (CASAS), Tests of Adult Basic Education (TABE), RAVENS, Choices Ability Profiler, Learning Styles, and/or as determined by an admissions advisor. See an admission advisor for more information.

It is strongly suggested that students be able to demonstrate a touch-typing speed of 20 wpm.

Instructor approval required. Visit the classroom or call for an appointment: (801) 957-3375, Room N285.

### Certification

Courses offered in this program directly reflect the most current requirement for certifying in the following areas:

- CompTIA Network+
- Microsoft Certified Professional (MCP)
- Microsoft Certified Systems Administrator (MCSA)

Certification is not required for successful completion of this program.

COURSES	CLOCK HOURS
KMNA 0110 Networking Technologies	150
KMNA 0125 Configuring Windows Clients	150
KMNA 0135 Server Environment Management	150
KMNA 0150 Network Infrastructure	150
KMNA 0295 Employment Workshop	5
Electives (select one):	95
KMNA 0200 Cooperative Internship	
KMNA 0220 Extended Certification Test Preparation	
<b>Total Program Hours</b>	<b>700</b>

### Occupations in this Area

For state and national occupation information, visit <http://online.onetcenter.org/find/> and enter the following O\*Net code(s):

- 15-1041.00 Computer Support Specialist
- 15-1071.00 Network and Computer Systems Administrators

### High School Completion

Upon completion of this program, students may be awarded the following high school completion credits:

Information Technology	.50
Career Technology	1.00
Technology Track and/or Electives	4.50

For more information, see the Horizonte adult high school completion teacher or call 957-3312.

### Articulation to Associate of Applied Science (AAS) Degree

Students who successfully pass industry certification tests may earn credit toward the Telecommunications AAS degree. See the department coordinator or academic advisor for more information.
