COURSES & HOURS

KPDD 0100 Delivery Driver	40
Total Hours	40

This short course prepares students to drive trucks or vans with a capacity of less than 26,000 GVWR for the purpose of delivering and picking up merchandise or packages. The course stresses proper driving techniques, safety, and defensive driving. Students will practice driving and backing skills, complete routine vehicle inspections, and map out trips and routes. Because delivery drivers generally work with customers, customer service skills and work ethics are stressed.
