

Leadership Library

If you are interested in researching educational resources on leadership topics, the Leadership Library is the resources for you. The Leadership Library is an excellent resource for finding materials, books and videos on current topics and trends in leadership and personal development. In our library, you will find resources on various topics, some of these topics include: program development, leadership theory, specific leadership issues, identity development, personal leadership growth, creating effective groups/teams, team building, service learning, student organization leadership issues, and diversity issues. The Leadership Library also includes books with effective leadership tips and initiatives from many of today's leading authors in their fields. Take advantage of the resources in the Leadership Library for your own personal growth and development, or use it to further develop your team/student organization. Materials are available for browsing or a two-week checkout period.
