

## Student Services Annual Highlights 2012-2013

Department Name: Athletics

**Dash Board Indicators:** (Benchmark data reported in budget process with end of year numbers. Please include multiple year data if available.)

Major Function: facilitate athletic functions at SLCC by assisting coaches and student athletes with appropriate budgets, organization and support that will aid the student athletes in their athletic and academic success, completion and progress to the next level. Provide a vehicle that will showcase/visualize SLCC to the community and to give the SLCC community a vehicle to show their pride and enthusiasm.

Dash Board Indicators:
