Total	15,849	19,903	25,675	24,500	23,586	21,680

Programming or Service Highlights:

- Successfully opened computerized GED center, with 33 computers.
- 7 staff members successfully completed testing to be certified PearsonVue test administrators
- Absorbed SAT admissions testing and increased test availability for students
- Redesigned department Web page
- Worked with IT to get access to NOLJ so old GED score records can be entered in a searchable database for the College
- Participated in the BOR "bubble" project with concurrent education
- Participated in establishment of Intermountain Testing Association
- Participation on the Placement Committee

Assessment Highlights:

- Completed success study of students placing directly into Math 1010 for Math Dept. Study covered 1300+ students, looking at their original test score, registration history and final grade
