As a participant in the SLCC study abroad program identified above, I have chosen to continue my travel abroad beyond the departure date of the SLCC sponsored program.

I understand that after my participation in the last Program-sponsored activity I attend, I assume all responsibility for my own actions. I am separating myself from the Program group of my free will and at my own risk.

I understand the risks associated with travel abroad as identified in the *Statement of Responsibility and Assumption of Risk* document previously presented to me and referenced above. I also understand that SLCC will not be liable or responsible for any accident, personal injury, illness, theft, damage, travel delay, or other loss, circumstance, or obligation of any kind which I may incur after separation from the Program group.

By my signature below, I certify that I have read this statement and fully understand its intent and meaning, and that by continuing my travel abroad beyond the end of my participation with the Program group, I accept full responsibility for myself and my actions.
