In order to become an America Reads Tutor in 2014-2015 - whether you’re earning a Federal Work-study Award or serving as a volunteer - you are required to attend an orientation. At the orientation you will learn:

- The mission of America Reads Program
- The Title I elementary schools we work with
- What you are expected to do as an America Reads tutor
- How to tutor children and improve literacy skills
- How to best present your tutoring on your resume
- How to best present your tutoring on your e-portfolio
- About background check. Where to get a background check, and how to be reimbursed for the expense.
- How to register as a volunteer with the Salt Lake City School District
- How to create a tutoring schedule that works for you and your elementary school site

Volunteer tutors may leave after the first half the orientation. Students tutoring to earn their Federal Work-Study financial aid award will stay for the entire orientation and learn:

- How to fill out all required SLCC paperwork to be hired as a work-study tutor
- How to maximize and fully earn your work-study financial aid
