

**SALT LAKE COMMUNITY COLLEGE / WEBER STATE UNIVERSITY**  
**ARTICULATION AGREEMENT/EQUIVALENT CLASSES FOR 2008-09**

**BUILDING CONSTRUCTION/CONSTRUCTION MANAGEMENT DEPARTMENT**

An AS degree from SLCC is designed to clear all general education requirements for WSU.

Students should take a communication and diversity course as part of their AS degree.

**The courses in bold are additional courses that need to be completed in order to transfer.**

**IMPORTANT**

Students who transfer to the WSU program are strongly encouraged to fill out and submit a declaration form to the CMT department found online at <http://weber.edu/wsuiimages/SSC/programofstudyform.pdf>. Through the process of filling out and submitting this form, a student's records indicate the catalog year to which their requirements are held.

**CATALOG YEAR REQUIREMENTS FOR GRADUATION**

Students must complete major and minor requirements under a catalog no older than 6 years for a bachelor's degree and 3 years for an associate degree, respectively. Students who take longer to graduate must select a more recent catalog under which to complete their degree requirements. Students may also elect to graduate under the catalog which is in effect at the time they apply for graduation.
