The work must have been made using traditional printmaking techniques including: relief, intaglio, lithography, screen printing, monotype, collagraph, letterpress and photopolymer.

Prints made solely with a laser or inkjet printer or copier will not be accepted. However, digital processes may be used in the construction of or in combination with pieces that are traditionally printed.

- Up to three prints may be entered per student

### Submitting prints is a two-step process

Digital submissions begin Aug. 7 and end Sept. 2. Artwork will not be accepted into the show unless a digital photo is entered first.

The following information must be entered along with each photo upload: Matted size, a detailed description of the media and techniques used, name of school enrolled, Student ID number, title of print (optional) and price (optional).

Prints will be juried online and acceptance letters will be emailed to the artists.

**Step 2:** The artist must then follow the instructions to prepare their prints for the physical submissions.

Prints should then be either hand delivered to the [Eccles Gallery](#), 1575 S State Street Salt Lake City, UT 84115, or shipped to SLCC.
