

CONCURRENT ENROLLMENT

GENERAL EDUCATION

CERTIFICATE OF COMPLETION

Academic Year 2025-2026

The General Education Certificate of Completion packages all your general education courses into a single certificate that transfers to all public colleges and universities in the state of Utah. Below is a list of all SLCC concurrent enrollment and AP classes that fulfill requirements for the General Education Certificate of Completion.

To earn your certificate, **TAKE JUST ONE CLASS IN EACH OF THE CATEGORIES BELOW.** 25% of your classes must be completed through SLCC. You cannot earn the certificate with AP classes only.

DISCLOSURE STATEMENT:

This document may not reflect ongoing updates or changes to the General Education Certificate of Completion and is subject to change. Students should NOT use this document for academic planning purposes. Instead, they should use DegreeWorks in MySLCC and meet with a SLCC Concurrent Enrollment Advisor. This document is specifically designed to help high schools identify which CE courses might be best to offer.

Which QL Math class is right for you? Select a college math class that fits your college and career path. Most certificate and all degree programs require students to complete a Quantitative Literacy (QL) class*. You are encouraged to complete QL senior year of high school. Different QL classes provide the math foundation for different pathways.

MATH 1030	MATH 1040	MATH 1050
<p>Recommended for:</p> <ul style="list-style-type: none"> • General Studies • Liberal Arts/Humanities • Students NOT going into science or math <p>The class covers a broad scope of mathematical topics as they apply to real-world problems.</p>	<p>Recommended for:</p> <ul style="list-style-type: none"> • Social Science • Behavioral Science • Nursing • Programs that require statistical literacy <p>This class includes descriptive and inferential statistical methods.</p>	<p>Recommended for:</p> <ul style="list-style-type: none"> • Science • Math • Engineering & Technology • Business <p>This class includes an exploration of algebra topics designed to ultimately prepare students for Calculus or further education classes.</p>

*MATH 1010 Intermediate Algebra does not fulfill the QL requirement.
