STEP 1

Apply for Admission

APPLY FOR ADMISSION

slcc.edu/apply

New Students

Welcome to SLCC! Your first step is to complete the online Admissions Application.

Once your application has been processed, your official admission letter will be sent to you by mail. **Check your email for your next steps. Make sure to submit the application by the admissions deadline!**

Returning Students

If you have been absent from the college for more than one year you will need to reapply for admission.

To reapply please go to **slcc.edu/apply** and use the **Back to Login** option.

La aplicación también está disponible en español.

Not sure how to submit the Admissions Application
Check out our tutorial at **slcc.edu/admissions**

CONTACT THE ADMISSIONS OFFICE

Interested in SLCC Tech?

Indicate on the Admission Application that you are interested in taking short-term, flexible courses for career training or earning a certificate. When you have submitted your application, meet with an advisor to determine your desired program, availability, and eligibility. The advisor will lead you through the next steps.
slcc.edu/sltech/index.aspx

International Students

International students have a different admissions process; there are additional documents required and your deadlines are usually earlier than traditional students. Details about deadlines can be found at International Student Services.
Phone 801-957-4528. **www.slcc.edu/iss**

Important Dates & Deadlines

Plese reference the academic calendar for admissions deadlines and other important dates. **slcc.edu/academiccalendar/index.aspx**

ARE YOU A TRANSFER STUDENT?

If you have college credits from another college or university, you may be exempt from all or part of the placement assessment. Please submit your official college transcripts and complete the Request for Transcript Evaluation form to ensure that your previous credits become a part of your academic history as you continue your education at SLCC. Phone 801-957-4817. **slcc.edu/transcriptevaluation**

Don't put it off. This process can take 2-4 weeks or longer during peak registration periods.

STEP 2

Testing Services

COMPLETE THE PLACEMENT PROCESS

Many classes at SLCC, especially English and math, require placement. Before you can register for those classes, you will need to complete the SLCC Placement Process or submit your ACT/SAT scores. The results will be used to advise you regarding appropriate class placement.

English scores do not expire, but ACT math scores expire after 18 months and SAT math scores expire after 12 months. If your scores have expired, don't worry, you can complete the SLCC Placement Process.

The SLCC Placement Process is free and can be completed on any internet-connected device ***except for a phone.*** To access the placement process, log into your MySLCC and navigate to Testing Services.

If you are attending an SLCC Tech program you will need to take the CASAS test. You can schedule an appointment at **slcc.edu/testing/placement/casas.aspx.**

STEP 3

COMPLETE NEW STUDENT ORIENTATION

All first-time, first-year students must complete an orientation, including former concurrent enrollment students.

If you are a returning or transfer student, you do not have to complete an orientation, but you can register earlier for classes if you do.

To register for orientation, first set up your MySLCC account:

1. You will need your SLCC username
2. Visit **MySLCC (my.slcc.edu)**
3. Click on **Can't access your account?**
4. Enter your SLCC Bruinmail address

Once you have logged into MySLCC:

5. Go to your **Semester Checklist** card and click on **In-person** or **Online** to register

Orientation & Student Success

STEP 4

Academic Advising

MEET WITH YOUR ADVISOR

Not sure what classes to register for?

Your Academic Advisor can help you!
To set up an appointment with your Academic Advisor:

1. Log in to **MySLCC**
2. Locate the **MySuccess** card
3. Click on **MySuccess Login**
4. Check your My Success Network on your homepage to see who your Primary Advisors are for each service on campus OR if your desired staff member/campus service isn't listed in your Success Network, you can type them into the search bar
5. Click on the staff member you would like to meet to view their Schedule Appointment Button. Check out the Academic Calendar for registration dates, term start, and end dates, tuition deadlines, class add/drop deadlines, and more **slcc.edu/academiccalendar**
6. Select your date, time, and location (in-office, phone, or Zoom video chat)

Schedules listing all classes available for each semester, including times, campus, and room numbers, are posted online a few weeks prior to registration. Use the searchable schedule for real-time class seat availability.

Check out the detailed tutorial on how to register for classes at slcc.edu/registrar/registration

Your status will read **Registered** in green.

PAYING FOR C

FINANCIAL AID

You will need to fill out the Free Application for Federal Student Aid (FAFSA) for each Academic Year you plan on attending college. Your FAFSA application will help qualify you for grants, work-study, and loans. You will need to include our school code for us to receive your application, which typically takes 7-10 business days.

You can get started by completing the **Free Application for Federal Student Aid (FAFSA)** online at **studentaid.gov**

Federal School Code: **005220**

Apply as early as possible!

For specific information about the deadlines and application steps, visit **slcc.edu/financialaid**

GRANTS

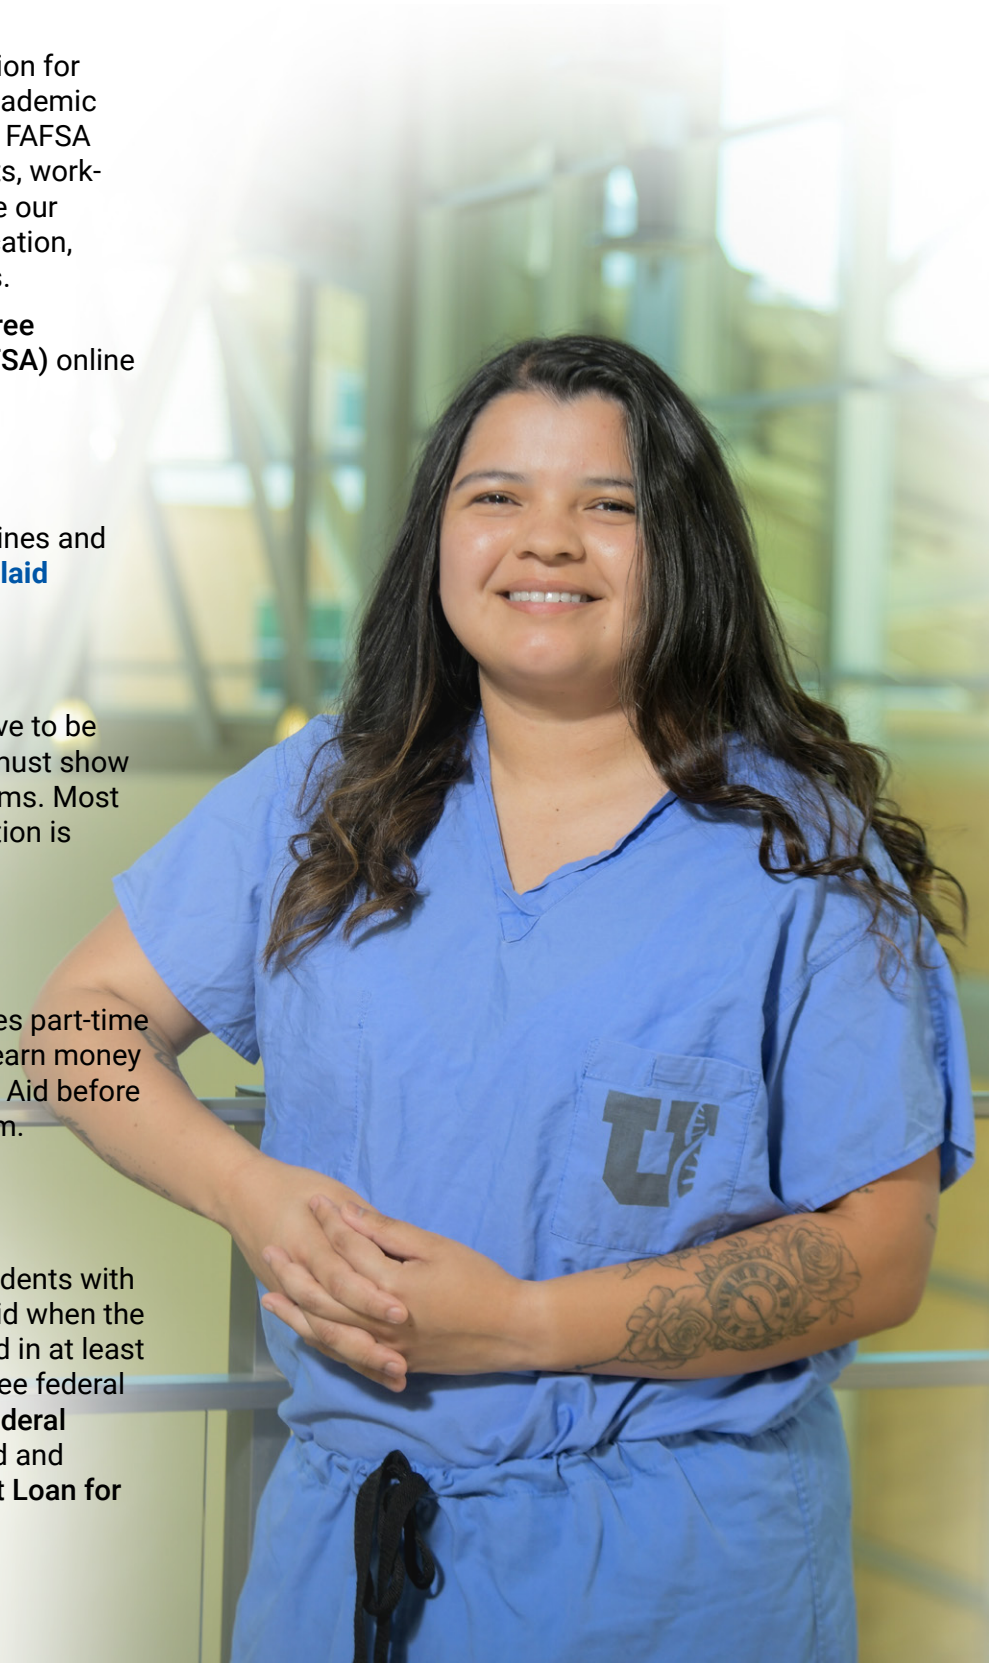

Grants are gifts of money that do not have to be repaid under most circumstances. You must show financial need to qualify for grant programs. Most grant funding is limited, so early application is encouraged.

WORK-STUDY

The Federal Work-Study Program provides part-time jobs for students with financial need to earn money for college. You must apply for Financial Aid before being eligible for the Work-Study Program.

LOANS

Federal Title IV loan programs assist students with their educational expenses and are repaid when the student is no longer attending or enrolled in at least six credit hours. SLCC participates in three federal loan programs: **Federal Perkins Loan, Federal Direct Stafford Student Loan** (subsidized and unsubsidized), and **Federal Direct Parent Loan for Undergraduate Students (PLUS).**

OLLEGE

SCHOLARSHIPS

SLCC has many great scholarship opportunities for first-year and continuing students. Scholarships are a great way to make college affordable and do not need to be paid back. Visit **slcc.edu/scholarships** for the most recent information about scholarships and application deadlines.

SLCC PROMISE

SLCC Promise helps eligible students pay for education by covering the cost of tuition and fees when federal grants fall short. Visit **slcc.edu/promise** for details.

TUITION PAYMENT PLAN

A Tuition Payment Plan (TPP) lets you spread your tuition and fees over three to six payments, depending on when you sign up. A TPP does not reduce your financial obligation to the College. The first installment must be included at the time of application. There is a $30 nonrefundable application fee per semester. Please apply and pay online through your MySLCC account.

HB 144:

Students not eligible for residency due to immigration status, DACA recipients, and/or undocumented students, may qualify for an exemption from non-resident tuition under the HB 144 Waiver. In order to qualify for the HB 144 Utah Waiver, students must have attended a Utah high school for at least three years and have earned a Utah high school diploma or GED.

HB 102:

This code creates additional paths for a student to obtain in-state tuition at USHE institutions.

To qualify for HB 102, students must meet all R512 residency requirements. Additionally, HB 102 provides a path for a student to receive in-state tuition under these specific immigration statuses:

- Granted a special immigrant visa
- Granted refugee status or submitted in good faith an application for refugee status
- Granted humanitarian parole or submitted in good faith an application for humanitarian parole
- Granted temporary protected status or submitted in good faith an application for temporary protected status
- Granted asylum status or submitted in good faith an application for asylum status

or

- Granted permanent resident status or have applied for permanent resident status.

What Is a Credit Hour?

A credit hour typically represents one hour of classroom instruction per week over a standard semester (usually 15–16 weeks). It also includes about two hours of homework or study time for each hour in class.

How It Works

1 credit hour = 1 hour in class + 2 hours of work outside class per week

3 credit hour course = 3 hours in class + 6 hours of homework per week

Most college courses are 3 credit hours, meaning you spend about 9 total hours per week on that course.

RESIDENCY

Students are classified either as resident or non-resident at the time the application is received. If you have questions regarding your residency status, contact the admissions office.

slcc.edu/admissions/residency.aspx

slcc.edu/student/financial/tuition-fees.aspx

* Non-residents pay resident tuition for summer semester.

** Amount for each additional credit hour.
Resident: $148.75 Non-resident: $520.50 SLTC: $99
Apprenticeship: $74.50

UNDECIDED ABOUT YOUR PROGRAM OF STUDY?

Academic Advising can help you choose the area of study that aligns with your goals.

IF YOU ARE AIMING TO TRANSFER TO A 4-YEAR UNIVERSITY:

Work with an academic advisor to build an educational plan that works best for you. They will guide you to resources that will help you find the appropriate courses to satisfy the requirements of the anticipated transfer institution.

Academic Advising

Visit **slcc.edu/academics** to explore each area of study.

CHECK FINANCIAL AID REQUIREMENTS

Important! Make sure to complete any requirements as soon as possible to avoid disbursement delay.

How to check requirements through MySLCC:

1. Log in to your **MySLCC**
2. Click on the menu (≡) in the upper left corner and choose **Discover**
3. Scroll down to **Financial Aid Dashboard**
4. Click on **Financial Aid Dashboard**
5. Select **Current Academic Year** in upper right corner
6. Complete unsatisfied requirements by following links and directions

GET YOUR ONECARD

The OneCard is the official student ID of SLCC and your key to campus life. It will also be your UTA Transit Pass to be used for rides on UTA buses, TRAX, the S-Line Street Car, and FrontRunner.

You must be currently registered (enrolled in at least one class) and show official photo ID to obtain a OneCard.

Go to **slcc.edu/onecard** to find out how to get your OneCard, or call 801-957-4022.

PURCHASE YOUR PARKING PERMIT

All vehicles are required to have a permit at all SLCC locations (unless you are using metered parking or paying for visitor's parking). You can purchase parking permits online through your MySLCC account. Make sure to have your vehicle registration handy when filling out the form.

Purchase an SLCC Parking permit online using the instructions below:

1. Log in to **MySLCC**
2. Search for the **Parking Services** card and click **Parking Service Portal Login**
3. Click on **Get Permits**
4. Select **Permit** and **Agree** to parking rules and regulations
5. After adding all your vehicles (students are allowed up to 2), click on **Next**
6. Enter **Payment Information** and complete checkout

Our **Parking Services Office** can be contacted at **801-957-4011**.

ARRANGE TO PAY TUITION

Paying your tuition and fees has never been easier. You have the option of paying online through **SLCCPay+** (access via MySLCC), with an electronic check, savings account transfer, accepted credit card, or debit card. You may also pay by phone at 801-957-3914, by mail, or by visiting one of our locations at Taylorsville Redwood, South City, Miller, Jordan, or Westpointe campuses or our West Valley Center to pay in person.

Avoid late fees by paying at the time of registration or making timely payment arrangements.

BUY BOOKS AND SUPPLIES

You can look up the books you need for your classes on **MySLCC**.

Log in to your **MySLCC**, click on the menu (☰) in the upper left corner and choose **Discover**. A new page appears. In the **Bookstore** box, click on **Textbook and Materials Search**.

OPEN EDUCATIONAL RESOURCES

Open Educational Resources (OER) are a less expensive alternative to traditional textbooks. Open SLCC provides online textbooks and resources at a low cost or no cost at all. Check out the instructions for finding Open SLCC courses at **slcc.edu/open**.
