SLCC Scholarships

Presented by: Samantha DeLaCerde & Caroline Bitter

SLCC offers an array of scholarship opportunities including SLCC Promise that can benefit your students and help ease the financial burden.

Interdisciplinary Studies Program & Honors Program

Presented by: Kathy Tran-Peters

Learn about SLCC's new Honors Program and Interdisciplinary Studies Degree. Both filled with personalized, engaging and transformative experiences that are committed to empowering students to succeed in their education.

New!

Career and Technical Education at SLCC

Presented by: Rebecca Armitage

COVID has had a significant impact on students, teachers, and learning environments. Come learn what some of the programs at SLCC are doing to help students complete courses/programs, and how SLCC is planning to continue to help support our secondary partners.

Career Services

Presented by: Miguel Nieto - Palma

Career Services is able to assist students with identifying their academic and career goals and by helping them create individualized life plans and be connected to resources such as job fairs, job board, career assessment, and coaching.

Myths & Facts about Concurrent Enrollment

Presented by: Brandon Kowallis, Becky Little & Hollie Worthen

Learn about Concurrent Enrollment at SLCC and how it can help students accelerate their college level education while they are in high school not only preparing them to get ahead after they graduate from high school but also help them explore academically.

Office of Diversity and Multicultural Affairs

Presented by: Peter Moosman, Brenda Santoyo & Kamal Bewar

The Office of Diversity & Multicultural Affairs (ODMA) at SLCC has increased its efforts to support students from various marginalized backgrounds and lived experiences. Join us as we share SLCC initiatives and resources provided through ODMA, the Dream Center, and the Gender & Sexuality Student Resource.

Thayne Center for Student Life, Leadership, & Community Engagement

Presented by: Rebecca Van Maren & Sean Crossland

Come join the Thayne Center for an overview of programs that help cultivate student leadership, provide meaningful community engagement experiences that help the community and connect students to resources on and off campus.

Breakout Sessions
