

Advanced Aviation Reno, Inc.
www.advancedaviationreno.com
Job Title: IA
Type: Full Time/Permanent
Availability: Immediately
US Work Authorization: Required

We are looking for a qualified FAA IA Mechanic with 5 years minimum experience to join our small but friendly team. We are located on the East side of the Reno-Tahoe International airport and primarily work on General Aviation aircraft- everything from Cessna 172's up to Beech 55's and C421's. We also maintain our flight school aircraft to the highest standard on a regular basis.

Our IA's are expected to be comfortable with searching/reviewing relevant AD's and conducting annual inspections in a professional and timely manner. As well as annual inspections, we have various mechanical work from engine changes to Mod's, so the work has a nice variety. The successful candidate should also be comfortable and capable with completing aircraft log book entries.

We offer Health insurance after a short probationary period and the employer pays 75% of the insurance premium which can include Vision and Dental. We also offer 1 week of paid vacation after 1 year.

Job Type: Full-time

Pay: \$25.00 - \$28.00 per hour

Email applications with cover letters to: LarryC@advancedaviationreno.com
