

Pediatric Certified Medical Assistant - (Primary Care)
Job Opening: Bountiful, Utah

Busy Bee Pediatrics, Inc. has an opening for a certified Medical Assistant. We are looking to fill a position for a part-time (or full-time) pediatric Clinical / Medical Assistant.

We are an independent pediatric office providing state-of-the-art medical care. We are looking to add another clinical assistant to our team. Experience with vaccinations, taking vital signs, minor lab procedures (strep tests, finger sticks, newborn screens, urinalysis, etc.), scanning reports/records into patient charts needed.

Consider joining our experienced team!

Skills:

Pediatric experience in primary care, providing vaccinations, hearing/vision screenings and taking vital signs
Excellent communication skills and strong work ethic
Compassion, patience and strong organizational skills
Strong sense of customer service and patient relations
Responsible, energetic and self-motivated to provide exceptional care
Must be reliable, honest and work well as a team member

Requirements:

High School Diploma/GED **and** currently enrolled, or completion of, Nursing or Medical Assisting Program required.
Clinical or Medical Assisting Experience: especially in pediatric primary care
Computer EHR proficient
Excellent references
Licensed to work in Utah

This is a great opportunity for a long-term position.
