Canvas sections and student enrollments problems fixed

Canvas has resumed normal functionality after a new data transfer tool was implemented on Monday, February 13th. Student enrollment should not be affected any longer. We do not expect any issues, however, if you still have any problems with sections or courses not showing up in Canvas then please reach out to learningsupport@slc.edu or call 801-957-5125. Thank you for your patience.

Story: What is our legacy and institutional character?

As we want to co-
cre and the
community, we will create a narrative that conveys SLCC's character and values. The story becomes our foundation and collective framework for the future.

Please contribute to this narrative. From your point of view as an SLCC community member, please share with us your SLCC story through this short survey.
