

## Blueprint Courses and Cross-listing for the Spring 2024 semester

The Office of the Provost has announced that SLCC is moving away from cross-listing and it will **no longer be an option after the Spring 2024 semester**. While we can accommodate your request for a cross-listed course in Spring 2024, we are encouraging faculty to consider using Blueprint Courses instead of cross-listing as soon as possible. See the following guide for more information on Blueprint Courses:

The deadline for the Spring 2024 semester is **Wednesday, January 3rd**. Cross-listing must be done before students have access to the sites (before the site is published).

### How do I request cross-listing?

If you have multiple sections that you want cross-listed in Canvas, fill out this form:

[https://slcc.formstack.com/forms/canvas\\_cross\\_listing](https://slcc.formstack.com/forms/canvas_cross_listing)

If you have any additional questions, send a message to [elarningsupport@slcc.edu](mailto:elarningsupport@slcc.edu).

## "Welcome to the course" module

You may have seen a module called "Welcome to the course" added to your Spring 2024 courses. This added discussion was requested by the Provost's Office and can be a great way to start out the semester getting to know your students through video introductions. You can leave it in its own module, but we encourage you to find ways to incorporate it naturally into your course. Consider assigning points, or putting it next to your other introduction materials.

If you have any further questions, please reach out to your AD.

**Note:** After you have read this message, you can close it by selecting the X in the top right corner.

The image shows a web form interface. On the left, there is a large, empty rectangular area with a red border. To the right of this area is a vertical list of seven items. Each item consists of a small square checkbox, a grey rectangular box, and a white rectangular box. The third item from the top has a mouse cursor pointing at its grey box. Below each set of three boxes is a long, thin red rectangular box. The entire form is set against a light grey background with horizontal lines separating the items.

**You can't assign an "I" or "Incomplete" grade to a CE student. However, you can request that SLCC change a grade after the fact.**
