

High School Students

You can get credit for certificates that you acquired in High School. The CSIS department will give you the following credit for the certification:

A+	CSIS 1121
Network+	CSIS 1200
Security+	CSIS 2320

CCNA	CSIS 1250 & 1251
------	------------------

MCP 2130	Exam 70-410 – CSIS 2110 Exam 70-411 CSIS 2120 Exam 70-412 CSIS
-------------	----------------------------------------------------------------

The exams that you have taken must be the current exam for the particular certification.
