

Approved Caterers FY23

Departments may order from one of the caterers on the list below if they have received a catering exception from Taher, our contracted food service provider. Please keep a copy of the email documenting the exception.

If the order will be for drop off catering i.e., boxed lunches, sandwich platters, pizza, etc., you may order from any caterer or restaurant.

If you need bottled beverages with the drop off catering, departments must purchase through our Pepsi contract via Auxiliary Services, Taher or the Campus Bookstore.
