LEARN & WORK IN UT | Salt Lake Community College

We're All In at SLCC!

Salt Lake Community College is dedicated to supporting students during these unprecedented times.

Learn & Work and SLCC are now registering students for in-demand, short-term training and certificate programs for furloughed, laid-off, or dislocated workers, and other underserved populations affected by COVID-19. These courses, programs, and trainings have been identified for Utah residents with financial support provided to qualifying students so they can participate at **no cost**.

To get started, visit slcc.edu/allin to learn more about programs, courses, and trainings available in your area.

AA/Eo Institution • If you need ADA accommodations, please contact the Disability Resource Center at 801-957-4659.

Choose from career areas in
