

## TRADITIONAL NURSING PROGRAM APPLICATION CHECKLIST

**\*\*This list is just an overview of the program requirements. Please visit <http://www.slcc.edu/nursing/admissions/index.aspx> for a more detailed description of the program requirements.**

- ☐ **SLCC APPLICATION:** Submit **general** Salt Lake Community College application at <http://www.slcc.edu/apply/> . **Declare your major as Pre-Medical & Health Sciences.**
- ☐ **TRANSCRIPTS:** Submit any transcripts from other schools you have attended ASAP. Instructions can be found at <http://www.slcc.edu/student/transfer/transcripts.aspx>.  
  
\***Official transcripts** needs to be sent from EACH school you have attended. This includes transcripts for any AP credit you received during high school.  
  
\*\***It is highly recommended that students verify whether they have met all the program's prerequisite course requirements by checking their SLCC DegreeWorks.** Instructions on how to do so can be found at <http://www.slcc.edu/degreeworks/index.aspx>.
- ☐ **TRANSFER EVALUATION REQUEST:** Submit a transfer evaluation request for each of the transcripts you have submitted. Steps for how to do so can be found at <http://www.slcc.edu/transcriptevaluation/>.
- ☐ **PREREQUISITE COURSES:** Complete all prerequisite courses with minimum required grade or higher. Some prerequisite courses have timeframe and attempt requirements as well.
- ☐ **TEAS EXAM:** Take TEAS exam and meet minimum score requirements.
- ☐ **CNA/MA EXPERIENCE:** CNA or MA course completion or work experience is required. Verifiable documentation of the experience must be emailed to [healthsciencesadmissions@slcc.edu](mailto:healthsciencesadmissions@slcc.edu) by the program's application deadline.
- ☐ **PROGRAM APPLICATION:** Submit Traditional Nursing Application by application deadline. Instructions can be found under "Apply to Nursing Program" at <http://www.slcc.edu/nursing/admissions/index.aspx>.
- ☐ **COMPLIO/IMMUNIZATIONS:** It is no longer required that you purchase a Complio account/Background check **for admission purposes**. However, if you are accepted into the program, you will need to purchase a Complio account and Background Check as soon as possible AND fulfill all of the Immunization requirements before you start the program. **\*\*The Hepatitis B vaccination series can take up to 6 months to complete.**

**\*\*It is recommended that each applicant meet with the program Academic Advisor, before they apply.**
