

Using Your SLCC OneCard for UTA On-Demand by Via

Your SLCC OneCard is useable on UTA's On-Demand program for transit in the more remote areas of the UTA territory.

You can pay for your ride in the UTA On-Demand app using a credit card, debit card, FAREPAY card, or passes like the Eco Pass or SLCC's EdPass.

Follow these steps below to obtain and enter your card's Unique Identifier (UID) into the UTA On-Demand app.

I. Download the UTA On-Demand App

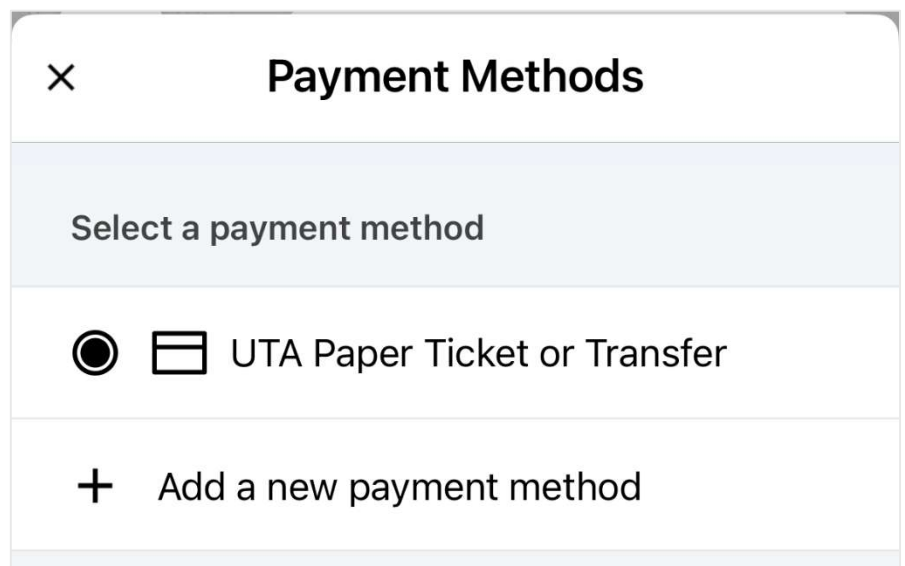

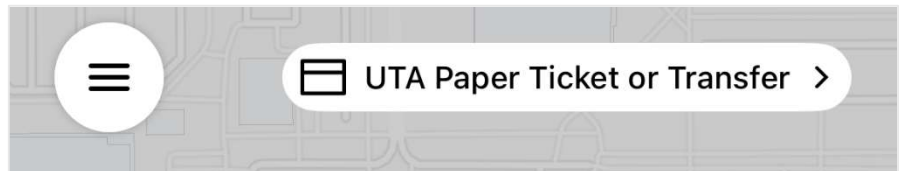

The first step is to download the UTA On-Demand app from the App Store or Google Play store.

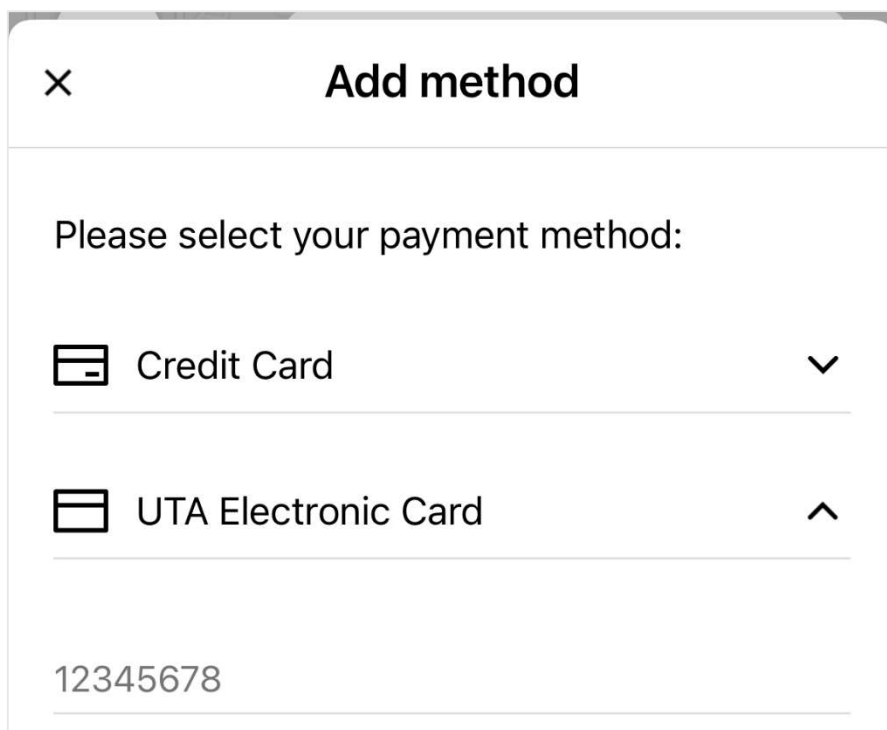

II. Link your OneCard as a payment method

Once downloaded and launched, navigate in the app to the payment option tab labeled **UTA Paper Ticket or Transfer**

The Payment Methods window will pop-up Touch on **+ Add a new payment method**

On the **Add method** screen,
Touch on the **UTA Electronic Card**

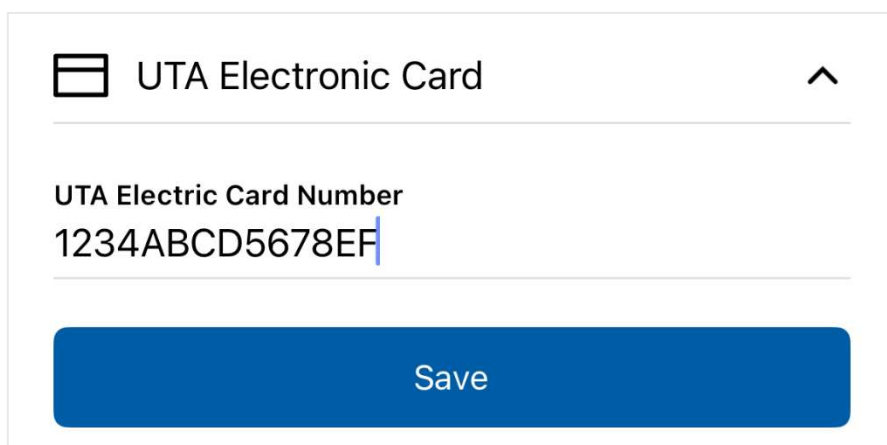

The screenshot shows a mobile app interface titled "Add method" with a close button (X) in the top left. Below the title, it says "Please select your payment method:". There are two options listed: "Credit Card" with a card icon and a downward arrow, and "UTA Electronic Card" with a card icon and an upward arrow. Below these options is a text input field containing the number "12345678".

At this point you will want to call the **SLCC OneCard office** at **(801) 957-4063** to obtain your UID.

You will need to provide your Student Number (S-Number) in order to obtain your UID.

Enter your 14-digit alpha-numeric code in the space provided on the app and touch save.

The screenshot shows the "Add method" screen with "UTA Electronic Card" selected and indicated by an upward arrow. Below this, there is a label "UTA Electric Card Number" and a text input field containing the alphanumeric code "1234ABCD5678EF". At the bottom of the screen is a large blue button labeled "Save".

You're now able to book and pay for your UTA On-Demand trips.

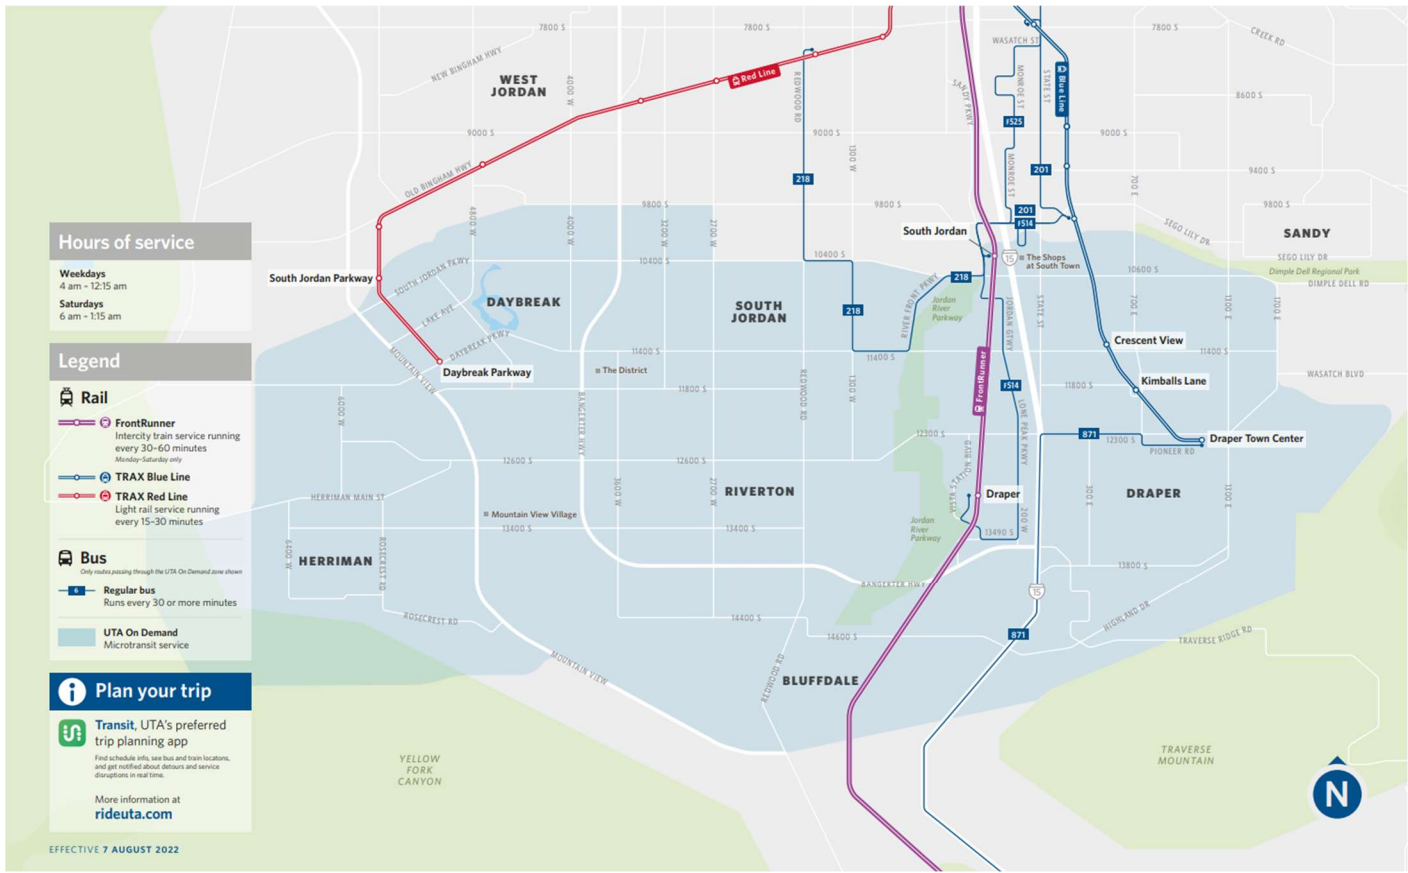

III. Information
