UPDATED: 5/2/2024

The SLCC [Law Enforcement Academy \(LEA\)](#) is an authorized satellite academy of the Utah Peace Officer Standards and Training Council (POST). The academy is overseen and regulated by Utah POST providing satellite academies with the same learning objectives and training. Students who successfully complete the program will be certified by POST as defined in [Utah Code Annotated 53-13-101\(2\)](#). Please visit [Utah Department of Public Safety](#) for additional information.

### Utah POST Application Fee (As of 2/27/2024. Fees can change at any time).

POST Application Fee \$50

Please be advised that law enforcement officers who seek employment in another state will need to seek certification through that state's Peace Officer Standards and Training division, or similar agencies in other states. Before moving out of state, we encourage students to research state law enforcement certification requirements.

If you have difficulty finding the law enforcement certification requirements for other states, please contact the department at (801) 957-5217, or SLCC's [State Authorization Staff](#) for help.
