Financial Responsibility Agreement

Student Financial Responsibility Agreement Page

In order to proceed with registration, you must accept the following agreement annually.

I understand that when I register for any classes at Salt Lake Community College (SLCC) or receive any services from SLCC, I accept full responsibility to pay all tuition, fees, and other associated costs assessed as a result of my registration and/or receipt of services. I further understand and agree that my registration and acceptance of these terms constitutes a promissory note agreement (i.e. a financial obligation in the form of an educational loan as defined by the U.S. Bankruptcy Code at 11 U.S.C. §523(a) (8)) in which SLCC is providing me educational services, deferring some or all of my payment obligation for those services, and I promise to pay for all assessed tuition, fees, and other associated costs by the published or assigned due date.

I understand and agree that if I drop or withdraw from some or all of the classes for which I register, I will be responsible for paying all or a portion of tuition and fees in accordance with the published tuition refund schedule at SLCC's Tuition Refund Policy (<http://www.slcc.edu/cashiering/refunds.aspx>). I have read the terms and conditions of the published tuition refund schedule and understand those terms. I further understand that my failure to attend class or receive a bill does not absolve me of my financial responsibility as described above.

In the event of default of any of the terms of this agreement, I hereby give SLCC (designated employees) authorization to apply all monies due me from SLCC to any delinquent portion of this note until the principle fees, interest and costs are paid in full. I agree that SLCC may repay my account balance from any Title IV funds due me.

DELINQUENT ACCOUNT/COLLECTION.

Financial Hold: I understand and agree that if I fail to pay my student account bill or any monies owing to SLCC by the scheduled due date, SLCC will place a financial hold on my student account, preventing me from registering for future classes, requesting transcripts, or receiving my diploma. Also, SLCC may place a lien on future Utah State income tax refunds until all past due balances are satisfied.

Late Payment Charge: I understand and agree that if I fail to pay my student account bill or any monies due to SLCC by the scheduled due date, SLCC will assess a late fee(s)/or finance charges on the past due portion of my student account until my past due account is paid in full. I agree to pay those fees and charges.

Collection Agency Fees: I understand and accept that if I fail to pay my student account bill or any monies owing to SLCC by the scheduled due date, and fail to make acceptable payment arrangements to bring my account current, SLCC may refer my delinquent account to a collection agency. I further agree to pay collection agency fees, which may be based on a percentage of my delinquent account, not to exceed 40% together with all costs and expenses, including reasonable attorney's fees necessary for the collection of my delinquent account. Any collection fees and costs are in addition to the principal balance, fees, and interest due on my account. Finally, I understand that my delinquent account may be reported to one or more of the national credit bureaus.

COMMUNICATION

Contact: I authorize SLCC and its agents and contractors to contact me at

Yes my current and any future phone number(s),

Yes email address(es),

Yes or other cellular wireless devices(s)

regarding my delinquent student account(s)/loan, any other debt I owe to SLCC, or to receive general information from SLCC. I authorize SLCC and its agents and contractors to use automated telephone dialing equipment, artificial or pre-recorded voice or text-messages, and personal calls and emails, in their effort to contact me. Furthermore, I understand that I may withdraw my consent to call my cellular phone by submitting my request in writing or in writing to the respective department or agency contacting me on behalf of SLCC.

Updating Contact Information: I understand and agree that I am responsible for keeping SLCC records up to date with my current physical addresses, email addresses, and phone numbers. This may be done by using the Change of Address, Phone, Email link on the Academics & Records tab of mySLCC. It is my responsibility to provide SLCC with updated contact information for purposes of continued communication regarding any amounts that remain due and owing to SLCC.

METHODS OF BILLING

I understand that SLCC uses electronic billing(e-bill) as its official billing method, and therefore I am responsible for viewing and paying my student account e-bill by the scheduled due date. A paper bill will be provided on request from the Office of the Bursar. I further understand that failure to review my e-bill does not constitute a valid reason for not paying my bill on time. E-bill information will be sent to your BruinMail account.

BILLING ERRORS

I understand that administrative, clerical, or technical billing errors do not absolve me of my financial responsibility to pay the correct amount of tuition, fees, and other associated financial obligations assessed as a result of my registration at SLCC.

RETURNED PAYMENTS/FAILED PAYMENT AGREEMENT

If a payment made to my student account is returned by the bank, for any reason, I agree to repay the original amount of the payment plus all returned payment fees.

WITHDRAWAL

If I decide to completely withdraw from SLCC, I will follow the instruction for dropping or withdrawing from classes at (<http://www.slcc.edu/registrar/registration/drop-withdraw.aspx>).

IRS FORM 1098-T

I agree to provide my Social Security Number (SSN) or Taxpayer Identification Number (TIN) to SLCC as required by Internal Revenue Service (IRS) regulation for the Form 1098-T reporting purposes. If I fail to provide my SSN or TIN to SLCC, I agree to pay any and all IRS fines assessed as a result of my missing SSN/TIN.

ENTIRE AGREEMENT

This agreement supersedes all prior understandings, representations, negotiations and correspondence between the student and SLCC, constitutes the entire agreement between the parties with respect to the matters described, and shall not be modified or affected by any course of dealing or course of performance. This agreement may be modified by SLCC if I sign such modification. Any modification is specially limited to those policies and/or terms addressed in the modification. This financial statement is intended to cover my entire educational tenure at SLCC, specifically every semester, term, and school year for which I am accepted and registered for classes.

STUDENT AGE

I understand and agree that if I am younger than 18 years old (or the applicable age of majority, if other than the age of 18) when I execute this agreement that the educational services provided by SLCC are a necessity, and I am contractually obligated pursuant to the "doctrine of necessities."
