# INTERESTED IN A HEALTHCARE PATHWAY?

Proxima can help support and get you started in a Certified Nursing Assistant, Medical Assistant, Pharmacy Tech, or Emergency Medical Technician training program **no cost** to you! These are great stepping stones into a variety of healthcare roles. Opening for training programs are limited.

Choose your training program at schools like:

## ELIGIBILITY

- Be 16+ years old
- Able to work in the U.S.A.
- Able to work 36+ hours after program completion at one of our employer partners
- Facing barriers to healthcare education

### EDUCATION SUPPORT

If your financial aid doesn't fully cover the cost, Proxima will cover it! Proxima also works with you to plan what your long-term healthcare journey can look like.

### CAREER NAVIGATION

Proxima helps you craft an effective resume, build your interview skills, and connect to a job after you're done with your education.

### RESOURCE CONNECTION

Proxima is here with you from the beginning of this journey. If you need any resources along the way, let us help you get what you need to succeed.

**Please visit our website to sign up!**

**If you have questions, please email Chandler.**
