

Pathways and ESL

Maria Ammar
Associate Dean, English as a Second Language (ESL)

The ESL Program at SLCC

The ESL Program at SLCC is in the School of Applied Technology and Technical Specialties.

ESL courses are offered for various English language skills in five levels. Four levels are non-credit, and the highest level is credit.

ESL courses are available during the day and evening. We have classes at South City Campus, Taylorsville Redwood Campus, and West Valley Center. We offer in-person and online courses. We have concurrent enrollment classes in high schools. We also offer ESL courses for employees at local businesses.

ESL Students at SLCC

At SLCC, ESL students are among the most diverse group of students. Some factors that make them diverse include culture, language, education, age, religion, socio-economic level, etc.

ESL students at SLCC have different academic goals:

1. Achieve an academic degree or program certificate
2. Transfer to a 4-year institution
3. Personal improvement (for work, family, self, etc.)

ESL Students and Pathways

ESL students are enrolled in various areas of study at SLCC.

ESL students may have completed the ESL Program and are working on their academic degree.

ESL students may be enrolled in ESL courses while taking courses for their area of study.

Support for ESL students

ESL students have support services that are available to them through the ESL department and SLCC.

For more information, contact the ESL department.
