

Student Services Annual Highlights 2012-2013

Department Name: *Student Life and Leadership*

Programming Highlights:

Leadership - to broaden and deepen leadership involvement or development opportunities

Update SLCCSA Constitution and Bylaws

- To better detail key elements within both i.e. due process, probation, Student Senate representation, elections

Change SLL involvement application process

- To allow more involvement opportunities
- To better track and communicate with applicants
- To market to students earlier about involvement opportunities

Widen our leadership development offerings

- Train students in StrengthsQuest to offer trainings to other students
- Expand our StrengthsQuest offerings to student clubs and students at large
- Support the EC in planning the Winter Leadership Conference
- Offer advanced leadership training for returning students
- Continue Summer Trainings into the academic year
- Look for diverse and engaging presenters for Profiles in Leadership that meet the needs of our students and other student leadership positions within the college

Effective Student Government

Student Senate positions changing

- From board members with five hours per week
- To chair positions with 10 hours per week and tied to academic schools
- Assign responsibilities to better represent students instead of more student at large positions

Review Elections process

- Does it reflect the needs of a diverse student body
- Does it allow for the vast hours provided by chair and committee members needed to facilitate the process

Robust Student Life - specifically focus on collaboration efforts
