2. If you have transfer credit

- Have [transcripts evaluated](#) by the SLCC Transfer Evaluation Office.
- Confirm that grades are posted in SLCC DegreeWorks in MySLCC before the priority or final application deadline. Evaluation can take several weeks.
- Declare Healthcare Sciences as your Area of Study and Surgical Technology as your Program of Study. Your program information should match the transfer evaluation request.

3. Upload proof of high school completion

You will be required to upload proof of high school graduation or a GED as part of your application. Acceptable documentation may include a transcript, diploma, or a letter of explanation if supporting documentation is unavailable.

4. Upload Surgical Technology Essential Functions Form

Please review the document carefully, by signing you are vouching that you possess the required [essential functions](#) to successfully perform, duties within the program.

5. Optional items for additional consideration

Applicants who meet all application requirements may receive additional consideration for any of the following:

Recent AHEC, MA, or CNA experience

Graduation from an AHEC program or completion of a Medical Assistant (MA) or Certified Nursing Assistant (CNA) certification within the last five years. Upload the certification.

Community Engagement

One volunteer community engagement experience may be considered. Examples include service with food banks, homeless shelters, emergency assistance programs, or neighborhood cleanup programs.

- Occurred within the last five years and after high school graduation
- Completed in Utah
- Unpaid and without reward
- Continual service is encouraged
- Service with underserved groups or populations is encouraged
- Only one experience will be considered

Required verification: Upload a recommendation letter from the mentor who supervised the service. The letter should describe the type of service, where it occurred, and the length of the commitment.

Upload before submitting

Upload every document or piece of information you want considered while completing the application. Additional documentation cannot be considered after you submit.
