

Writing Assignments at SLCC: What to Expect

Writing in college can be a challenge for all students. One key to success is knowing what to expect.

Use the writing assignment expectations on the back to help you communicate with your teachers and succeed in your assignments.

Questions?

Writing Across the College

Student Writing Center
www.slccswc.org

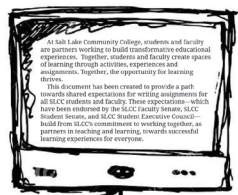

Everyone
should expect that
different readers
often have
different interpretations
of the
same
piece of writing.

For the complete Writing Expectations document, go to www.slcc.edu/wac.

Faculty expect that you will:

- Take writing assignments seriously and put significant effort into them.
- Read writing assignments closely and make every attempt to understand what they are asking of you.
- Ask questions about writing assignments if you are unsure of the requirements or evaluative criteria.

You can expect that faculty will:

- Make you aware of writing support services at SLCC.
- Provide you with a written document that describes a writing assignment and how it relates to course concepts and learning outcomes.
- Tell you how assignments will be evaluated and evaluate them according to the stated criteria.
- Answer your questions about writing assignments.
- Give you advance notice of lengthy writing assignments.
- Provide rationale/feedback for your assignment's evaluation.
