** Math classes: New **to SLCC** must first apply to the College before registering for a class. Please go to slcc.edu click on "Apply Now" Complete all the personal, demographic, and residency information. Under 'Area of Study' choose "Social & Behavioral Sciences, Education and Human Services. Under 'Academic Goals' choose "Taking credit courses to earn a degree or certificate." Under 'Program of Study' choose "**Transition to Teaching/ARL (CA)**" Continue completing the SLCC application. SLCC will invoice USBE on your behalf, so you do not have to pay tuition up front. However, you must earn a "C" or better, or you will be charged.*

In addition, SLCC offers WTED 850 **Methods of Teaching Secondary Special Education Mathematics** (SMSET) required for all **K-12 APPEL SPED** candidates seeking a Professional Educator License (PEL) OR for educators seeking a Secondary SPED Math Endorsement. Educators interested in taking WTED 850 must meet the prerequisite requirement of completing, with a C or better, either Calculus (Math 2100) **OR** the Secondary Mathematics for Special Education Teachers (SMSET) **Skills** - MIDAS Course ID: 60668. If you have not successfully completed one of these prerequisites, you will not be able to enroll in or take this course.
